HISTORICAL NOTE

Dawson County, located in the south central portion of Nebraska on the Platte River, was a crossroads for various westward migrations. The Oregon Trail followed the south bank of the Platte River through this area. The Pony Express, inaugurated in 1860, had several of its stations in what is now Dawson County. Later, in 1867, the Union Pacific Railroad traversed the area.

Four years after Nebraska was admitted to the Union, Dawson County was officially organized by a proclamation of acting Governor, William H. James, on June 26, 1871. Significant immigration into the county however, did not commence until 1872. The county made several efforts to induce permanent settlement, including a County Immigration Society organized in 1872. Traffic into the county from the Union Pacific tracks was aided by the completion of the first public county road in the same year. By 1873, the first bridge across the Platte River west of Columbus, Nebraska, was completed. This greatly assisted the county's growth for it was then able to draw upon the more developed Republican Valley for business.

Apparently Dawson County was named for Jacob Dawson, the first postmaster of Lancaster (now Lincoln), Nebraska.

SCOPE AND CONTENT NOTE

This collection consists of the records of Dawson County arranged into nine subgroups: 1) Assessor, 1871-1906; 2) Treasurer, 1884-1993; 3) County Board of Commissioners, 1870-1924; 4) County Clerk, 1871-1977; 5) Register of Deeds, 1871-1893; 6) County Court, 1871-1953; 7) District Court, 1871-1981; 8) Superintendent of Schools (no records); and 9) School District Records, 1870-1882.

Subgroup One, Assessor, contains personal property individual schedules, 1879-1906; Personal Property and Real Estate combined precinct assessment books, 1872-1903 on microfilm. Assessment records, 1907-current remain at the county courthouse.

Subgroup Two contains duplicate negative copies of the County Administered Property System (CAPS) microfiche of personal and real estate tax rolls for Dawson County, 1984-1993.

Subgroup Three includes miscellaneous correspondence addressed to the County Board of Commissioners and supplemental to the minutes of the Board of Commissioners, 1870-1924 (fractional). However, the Archives does not yet have the minutes of the board.

Subgroup Four, County Clerk, is divided into three series: 1) Marriage Records, 1873-1977; 2) Election Records, 1871-1892; and 3) Census Records, 1872, 1882. The bulk of this subgroup is the marriage docketts of the county, 1873-1977, on microfilm. This microfilm was produced by the Genealogical Society of Utah at the county courthouse during its vital records project through Nebraska in 1994 with the cooperation of the Nebraska State Historical Society and the county clerk.

Subgroup Five, Register of Deeds, contains only miscellaneous correspondence (1 folder) concerning land matters for scattered years. The official records of the deeds office remain at the county courthouse.

Subgroup Six, County Court, 1871-1953, is arranged in nine series: 1) Probate Records, 1873-1927; 2) Appearance Docketts, 1925-1952; 3) Trial Docketts, 1873-1925; 4) Civil Docketts, 1876-1916; 5) Criminal Docketts, 1913-1953; 6) Judgement and Execution Docketts, 1894-1933; 7) Assignment Records, 1887-1913; 8) Justice of the Peace Docketts, 1879-1952; and 9) Miscellaneous, 1879-1890.

Series One, Probate Records, is divided into five subseries: 1) Entry Book, 1873-1893; 2) Estate Book, 1873-1896; 3) Probate Fee Books, 1893-1925; 4) Probate Docketts, 1871-1927; and 5) Bonds of Guardians & Administrators, 1875-1893. Subseries One and Two as well as the first two Probate Docketts of Subseries Three, are restricted from public use because of the possible presence of confidential records. Prior to 1896, adoptions were registered in Probate Docketts.

Subgroup Seven, District Court, is divided into eight series: 1) Naturalization Records, 1873-1948; 2) General Index (no records); 3) Appearance Docketts (no records); 4) Daily Journal (no records); 5) Complete Record (no records); 6) Civil Case Files (no records); 7) Criminal Case Files (no records); and 8) Bills of Exception and Depositions, 1891-1981.

The only records of significance from the District Court are the Naturalization Records on microfilm. The card index to Naturalizations still remains at the county courthouse. Most of the volumes have indices at the beginning of the volumes.

The Archives holds no records for Subgroup Eight, Superintendent of Schools and the only records relating to school districts of Dawson County contains miscellaneous correspondence concerning census, boundary issues, and other matters relating specifically to Dist. #1 & #18.
