

NEBRASKA STATE HISTORICAL SOCIETY COLLECTION RECORD

RG5477.AM: Sierra Club, Nebraska Chapter

Records: ca. 1974-2002

Nebraska: Environmental education, advocacy and protection group

Size: 0.5 cu.ft.; 1 box

BACKGROUND NOTE

The Sierra Club, founded in 1892, is the oldest and largest environmental organization in America. The Nebraska Chapter oversees four smaller groups within the state: Platte Valley Group, Cottonwood Group, Missouri Valley Group, and Bluestem Group.

SCOPE AND CONTENT NOTE

The collection contains misc. records of the Sierra Club, Nebraska Chapter. The collection includes meeting minutes and agendas, financial information, newsletters and press releases and general materials relating to several committees and environmental issues.

Note: Some materials relating to the Nebraska Chapter are also included in RG3390 (Bluestem Group).
